FLEXIBILITY & COLLABORATION

INDONESIAN TEAK

THE BENEFITS OF TEAK

Teak is ideal for indoor resort furniture and is an absolute requirement for outdoor resort furniture. No other wood species compares to its performance and longevity in harsh resort climates.

GRADE A, KILN DRIED, LEGALLY HARVESTED PLANTATION TEAK

HIGHER SILICA CONTENT PROTECTS AGAINST INFESTATION

HIGHER OIL CONTENT FOR ENHANCED WEATHER RESISTANCE

THE WARISAN PRODUCTION FACILITY

TOTAL CONTROL FROM PLANTATION TO FINISHING

OUR FACTORY

Strategically located in Java,
Indonesia to leverage proximity to
a vast array of raw materials and
tap into the region's longstanding
furniture making heritage.
